Re: 89-791 - Reprimand

Dear Judge Healy:

Having received your signed Proposal for Reprimand, I send this Letter of Reprimand on behalf of the Commission on Judicial Conduct. The Commission feels no further action is now warranted. This Reprimand is public under Commission Rule 19.

The Commission on Judicial Conduct finds a violation of Canon 3(A)(5) of the Code of Judicial Conduct for delay in rendering decisions. You are cautioned to be careful in the future to avoid violation of the Code of Judicial Conduct. Providing the County Clerk with any case taken under advisement, so Superior Court Civil Rule 79(f) is followed, should assist you in avoiding any future violation of Canon 3(A)(5).

We thank you for your cooperation.

Sincerely,

Wesley A. Nuxoll
Chair
