Re: ***Justice Bobbe Bridge, CJC Complaint No. 4050***

Dear Barrie:

On March 25, 2008, the Seattle Municipal Court convened its final hearing in the case of *Seattle v. Bridge*. Based on its review of the case file, the court has found that Justice Bridge has completed every obligation imposed on her by the Deferred Prosecution agreement she entered into five years ago. Therefore, the court has dismissed the case against Justice Bridge with prejudice. The criminal matter is now closed.

Enclosed please find a docket report documenting this final disposition in Justice Bridge's case. I expect that this should conclude the matter with the CJC, as well, and that your office will now close its file. However, please contact me if there is anything further that you need from us.

Thank you for your assistance.

Very truly yours,

JEFFERY P. ROBINSON
