Re: 4118-F-111

Dear Mr. Twitty,

Per the stipulation and agreement entered on June 18, 2004, I have read and familiarized myself with the Code of Judicial Conduct in its entirety. I also took the opportunity to review the Model Code of Judicial Ethics with annotations by the National Judicial College.

In paragraph B4 of the stipulation I agreed to participate in ethics training. To fulfill that portion of the agreement, I would propose taking a course entitled "Ethics, Bias and Judging: Taking the High Road: A Web-Based Course" offered by the National Judicial College July 12 through August 27, 2004. I have enclosed a copy of the course description. As you can see the course starts in less than a month. Your prompt response to the proposal would be very appreciated.
