Re: Judge John Wulle - CJC Case No. 6707-F-154
Respondent's Amended Answer/Pre-Hearing Motions

Dear Counsel:

I have gone through the pre-hearing motions that have been filed in the above-referenced case. It appears that all but one of the motions is contested: Respondent's Motion to File an Amended Answer. Disciplinary Counsel filed a response indicating no opposition to this motion. In the Motion to File an Amended Answer, Respondent attached the Amended Answer that Respondent sought leave to file.

This letter GRANTS Respondent's Motion to File an Amended Answer, and acknowledges the filing of Respondent's Amended Answer to the Statement of Charges (initially filed on April 30, 2012).

Rulings on the contested pre-hearing motions will be issued following the conclusion of briefing, which is now set to close on June 11, 2012.

Sincerely,

Kathleen O'Sullivan
Presiding Officer
