I. IDENTITY OF MOVING PARTY

Appellant by and through her counsel of record, hereby requests a two week extension of time for filing her opening brief – from June 2, 2025, to June 16, 2025.

II. FACT RELEVANT TO MOTION

Prior counsel for appellant, Nick Gross, who was co-counsel at the underlying Fact Finding Hearing and was responsible for the day-to-day handling of this matter, left appellant's firm (Frey Buck) on April 25, 2025, taking with him most of the institutional knowledge of the case. While counsel for appellant has been reviewing the material to afford an appropriate submission to the Court, given the volume of material in the case and other practice pressures appellant has been unable to fully address the issues. This is the second request for an extension, and respondent's counsel has no objection to the extension. In the interest of prompt consideration of the important matters at stake, appellant respectfully asks for only a two-week extension for her opening brief. The parties recognize

that an extension on briefing will be necessary to accommodate the state's attorney's schedule as well, and the parties agree to so stipulate.

III. REQUEST FOR EXTENSION OF TIME TO FILE OPENING BRIEF

Under RAP 18.8, the Court may extend time within which an act must be done in order to serve the ends of justice. For the reasons set forth above, the ends of justice would be served by granting this agreed motion for a short extension of time to submit an opening brief.

IV. CONCLUSION

To serve the interests of the parties and justice, this Court should grant appellant an extension to June 16, 2025, to file her opening brief.
